Hi Folks!

Summer is speeding along – hope you’re enjoying every minute of it. That is one of the neat things about living in Indiana – we get to experience all the wonders of four different seasons. If variety is the spice of life, then we are fortunate to be pretty spicy, eh? We just need to remember to care for the earth like we care for ourselves so it is there for our future generations.

Along those lines, I wanted to let you know about a day coming up in Allen County that is important for the environment and our wellbeing. Allen County TRIAD, Walgreens Drugs and Allen County Solid Waste District will be sponsoring the Unwanted Medication Collection Day on Friday, September 25 from 9 a.m. to 1 p.m. at the following Walgreen’s Drug Stores:

- **New Haven** – 907 Lincoln Highway West
- **Waynedale** – Bluffton and Lower Huntington Roads
- Clinton & St. Joe Center Roads
- Jefferson Blvd. and Getz Roads
- Wells and State Street
- Chapel Ridge Shopping Center
- Interstate 469 and State Road 37
- 1701 East Paulding Road
- Dupont and Tonkel Roads
- Cook and Lima Roads

They want you to know that only pills will be accepted. No liquid or sharps. They will accept both prescription and over-the-counter medications. New this year, they will be accepting any outdated pet medications!

If you miss the date, you can drop unwanted medication at TRIAD Medication Continuous Collection Centers at:

- **Northwest** – Allen County Sheriff Department – 12535 Lima Road
- **Central** – Fort Wayne Police Department – 1320 Creighton Ave.
- **Southwest** – Indiana State Police Post – 5811 Ellison Road
- **East** – New Haven Police Department – 815 Lincoln Highway East in New Haven

If you would like more information, please call the Volunteer Center at RSVP. Their number is 424-3505.

Have a great rest of the summer and remember – in whatever you do – please take care of Mother Earth – she has taken pretty good care of us!

Ranelle
